Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Supplemental Information Disclosure Statement be entered and the document listed on attached Form PTO-1449 be considered by the Examiner and made of record in the present case. A copy of the listed document required by 37 C.F.R. § 1.98(a)(2) is enclosed for the convenience of the Examiner.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

First and Second Non-Final Official Actions reflecting examination on the merits have been received in the present application. However, this Supplemental Information Disclosure Statement, submitted before the mailing of a Final Official Action or a Notice of Allowance, is still timely filed without a fee in light of the following information.

The listed document (B11) is already of record in this application, and the copy on file is the Japanese text and English abstract. As Applicants have now obtained a copy of the English translation of the entire document, this is being submitted for entry and consideration in the present application in full compliance with 37 C.F.R. § 1.56. The enclosed English translation of this document was obtained from the European Patent Office by requesting a copy of the European counterpart application to the originally disclosed PCT document.

Applicants' undersigned representative hereby certifies that the enclosed English translation of the listed document was not provided in a communication from a foreign patent office in a counterpart foreign application; and that the English translation was obtained less than three months before the filing of the present Supplemental Information Disclosure Statement.

No fees are due in connection with the filing of this Supplemental Information Disclosure Statement. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary, the Examiner should contact the undersigned representative to discuss deduction from Williams, Morgan & Amerson Deposit Account No. 50-0786/3999.002383.
